TERMS & CONDITIONS

WARRANTY

All Livorsi® products carry a limited one year warranty for repair or replacement at Livorsi's discretion. All Livorsi Marine® products are warranted to be free of defects in material and workmanship. Users/Customers of Livorsi Marine®/Livorsi® or CMI™ /Custom Marine Inc™ products agree not to hold Livorsi Marine, Inc., Custom Marine Inc™ or its owner or employees responsible for any damages occurring by improper installation or use of Livorsi Marine®, Livorsi®, Custom Marine Inc., or CMI products. The company, owner or its employees will not be liable for more than the cost of the original product and in no event will Livorsi Marine® or Livorsi® be liable for special, indirect or consequential damages of any kind whatsoever.

WARRANTY RETURNS

Due to a large number of non defective gauges being returned, Livorsi has had to implement the following procedure. If you think you have a defective product, before returning please trouble shoot the problem first. In many cases it is not a defective gauge and could be a defective or incorrect sender, bad connection or inefficient ground. There will be 2 ways for Livorsi to determine if the product is defective:

1. Return the product to Livorsi and we will determine if it is defective. If it is under warranty Livorsi will repair and return it. Products that do not fall under warranty will be quoted.
2. Livorsi will send a new product and charge your credit card. When you return the product in question we will determine if it is defective or not. If the gauge being returned is found defective we will credit the original invoice. If the product is not found defective Livorsi will NOT issue any credit. If you would like the original product returned to you there will be an additional shipping charge.

For WARRANTY questions please call 847-752-2706 or email returns@livorsi.com. For further questions or TECHNICAL HELP go to www.livorsi.com and click on Tech Tools or email Fred Ortega fredo@livorsi.com or call 847-752-2705.

RETURNS

A 15% restocking charge may apply to any returned items. Merchandise must be returned with shipping charges prepaid. Returns sent freight collect will be refused. Please enclose a copy of the original purchase invoice with return. Livorsi will not accept returns past 60 days. Credit will not be issued on custom or private label gauges.
