HIGH FLOW FUEL/WATER SEPARATOR

Filters and fittings sold separately

Filter shown with sight glass and drain

Stack multiple units and use together

- Compatible with Mercury's new 450R & other high horsepower engines
- 1/2 Inch NPT Multiple Port locations allow units to be mounted almost anywhere
- Configurable mounting bracket allows installers to mount fuel/water separators in tight location
- Anodized and painted for superior corrosion resistance
- Mounting bracket is reversible for use in tight quarters

Fuel Water Separator	
LIVORSI PN	DESCRIPTION
FWS6BK	Filter Assembly (6 Ports)
FILTERS	
LIVORSI PN	Description
FILT-2	RACOR B32013 Spin-On Fuel Filter/Water Separator, 10 Microns, Site Glass & Drain
FILT-3	High Capacity Mercury Filter 8M0079963 120 GPH 10 Micron Over 90% Efficiency
FILT-5	REQUIRES 1" - 14 ADAPTOR FOR FUEL WATER SEPARATOR HEAD MERCURY/MERCRUISER 35-8M0000202 Water separating fuel filter. Fits Mercury Racing 850 - 1075 - 1200 SCI Engines

ACCESSORIES	
1/2" NPT to 1/2" FITTINGS	
LIVORSI PN	DESCRIPTION
FWSPLUG	1/2" Brass Hex Plug
FWS12NPT12B90	1/2" Brass Barb - 90 Degree Angle, 1/2 NPT
FWS12NPT12BST	1/2" Brass Barb to 1/2 NPT - Straight

1/2" NPT to 3/8" FITTINGS	
LIVORSI PN	DESCRIPTION
FWS12NPT38B90	Brass 90 Degree Angle, 3/8" Hose ID, 1/2 NPT
FWS12NPT38BST	Brass Hose Barb, 3/8 In Barb, 1/2 In Straight NPT
