INNOVATIVE BI-POLAR DESIGN MAKES THESE LED'S A SNAP TO INSTALL!

Innovative bi-polar design of these LED lights makes changing the look of your dash a hassle-free project. You'll have greater visibility at night with any of the four colors offered by Livorsi and, they'll last longer than traditional LEDs.

Built so they can be inserted right-side-up or upside down, these "stay-cool" LEDs fit 2 1/16", 2 5/8", 3 3/8", or 4 5/8" gauges. Choose from amber, blue, green, or red to take your dash from plain and simple to simply awesome.

For more info, check out Livorsi's website at www.livorsi.com or phone them at 847-548-5900, toll free at 877-548-5900 or e-mail them at sales@livorsi.com.
