**LIVORSI LOGO SHINES IN 300 SWAROVSKI CRYSTALS**

When a screened t-shirt just won't do, these cami's and scoop necked t's with 300 Swarovski crystals will! Heat applied by hand, these crystals will stand up to machine washing.

Whether you want the sporty look of a scoop neckline and cap sleeves or the spaghetti straps on the cami, you will be stylish and comfortable. Remember, the crystals are glued on, so there are no metal mounts to contend with.

Both styles are cotton and available in white or black and, the cami has a built-in bra, so no additional straps to continually adjust.
