

## Dual Flapper Exhaust Tip

Diverts exhaust downward to the water keeping the transom clean & reducing sound levels ranging from idle to top RPM

- Stainless steel alloy
- Does not rattle
- Fully serviceable, can be rebuilt using a rebuild kit
- Heavy duty salisbury flapper wont burn, curl or melt

Part Number ET4DF

## Exhaust Tip- Flat

- Measures: 10" L x 4" OD (6" from flap to tip)
- Polish finish
- For any size engine application

Part Number ETF4F

## Actuator Pump Kit

- Can be purchased as a kit or separately
- kit includes:
  - actuator pump
  - momentary switch
  - hose & fittings

Description	Part Number
actuator pump only	AP
actuator pump solenoid	APS
actuator pump kit (twin)	APK1

## Pneumatic Cylinder

- Measure length of clevis mounting holes when at rest

assembly	PCA
assembly w/ clevis for remote mufflers	CPC

## Air Hose

- 1/4" OD
- sold by the foot

Part Number AH1/4

## Muffler Hose Clamp & Fittings

1/8" brass elbow	BE1/8
1/8" brass T	BT1/8
nut & compression fittings for elbows & T	NCF

## Sound Elimination Mufflers

- Clamp-on or transom mount
- All stainless steel construction with a polished finish
- Easy installation on any system from 4 - 5 in. in diameter
- Can be used with supercharged engines up to 700 HP

Whether it's recreational or professional boating, reducing sound emission levels affects everyone. CMI mufflers and exhaust tips help reduce noise levels with little to no horsepower loss!

Diminish decibel levels below the strictest regulations, results may vary but most experience drops as low as 86 decibels (dB). These mufflers were engineered to reduce volume without creating any back pressure to rob the engine's horsepower.

See diagrams on the back of this page to find the right muffler for your application.

### Clamp On High Performance

Figure	Description	Part Number
A	4" x 5" under 600 HP	SEMSCHP4
B	4.5" x 5" under 600 HP	SEMSCHP4.5
C	4" X 6" over 600 HP	SEMSCHP4X6
D	4.5" X 6" over 600 HP	SEMSCHP4.5X6
E	5" X 6" all HP	SEMSCHP5X6

### Transom Mount High Performance

Figure	Description	Part Number
F	4" under 600 HP	SEMSTHP4

# 88 mufflers
